**Church Kids' Packs:** While regular children's programming will resume in October, activity packs for Sunday morning for use during worship. They may be picked up on the table outside the sanctuary on Oct. 4<sup>th</sup> and will be available for children to use and to take home, and we would encourage children to bring these packs to church to continue using each week.

**Looking to take part in worship?:** If you would be interested in taking part in worship either by reading or singing in the congregation in a prayer on a Sunday morning, please contact Rev. Michael at [michael.koslowski@bcpc.ca](mailto:michael.koslowski@bcpc.ca)

**Knox Site Update:** At our Annual Meeting in February of this year, we began planning for the next 5 years. One of that plan was to re-evaluate our role as both owners and landlords of the Knox site. Of course, COVID-19 was ever taken on that front. However, over the past couple of months we did receive some unsolicited enquiries about the possibility of its eventual sale. Please note that these enquires remain just that at this juncture, and not a decision. The Session stop to think about the 'what if?'s. As a result, the Session believes that it would be willing to accept an agreeable offer was ever made. Mind you, that's not something the Session could ever do on its own. It is a decision for the congregation, and of the Presbytery. The Session wants the congregation to rest assured that it will continue to work on developments in this matter.

Peace,

Rev. Michael Koslowski
